Dear Mr. Fauss,

I wanted to take this opportunity to thank you for all the hard work and your firm's expertise in assisting me and my Attorney in preparing for court proceedings. I have had experience in dealing with court proceedings in the Tallahassee, Jacksonville, and Gainesville venues.

Your immediate understanding of what I consider to be complex legal issues and your simplified approach to developing the least confusing solutions has always aided me. Your recommendations of associated visual aids to make complicated issues understandable has greatly assisted in helping to communicate our issues to jurors and legal professionals alike.

Although I have retired from being part of the legal support profession, I wanted to commend you for all the help you and your firm have given me over the years.

I thank you and praise you for being such an invaluable resource asset to me and my clients over the years. Good luck in the future.

Sincerely,

Stephen D. Moon, CPA
